Dear Student,

You are scheduled for the following American Red Cross course provided by the Girl Scouts of Greater Atlanta:

Red Cross First Aid and Adult/ Child CPR: Blended Online Course

Please note that you will complete a blended learning course that includes not only CHILD skills, but also INFANT skills. However, you will only demonstrate Adult and Child skills and be certified for Adult and Child First Aid/CPR.

This blended learning course includes an online portion and an instructor-led classroom skills session. **The online portion must be completed before attending the in-class portion**. Most learners complete the online portion in approximately 2 hours and 30 minutes. However, your experience may vary widely based on several factors including your PC, internet speed and previous training. We recommend beginning the online session as soon as possible to ensure you have completed it prior to the in-person skill session. The online portion must be taken on a PC or tablet with a high-speed Internet connection (see below for the complete set of PC/tablet requirements for this online course).

Please be prepared to provide your instructor with proof that you completed the online portion using one of the following methods:
- Print your online course completion record available at the end of from the course and show it to your instructor – it will read "Proceed to Skill Session"
- Show your instructor the email you received confirming completion of the online portion
- Login to the online portion and show your instructor the completion status that appears above the "Launch Course" button

Access the online portion using the following link:

http://redcrosslearning.com/course/301040f0-c611-11e6-981d-bb8e5751112f

After creating a log in using your email address and a password, click "Launch Course" to begin.

PC/Tablet Requirements for Online Course:

Processor	Dual-core processor speed greater than or equal to 2.3GHz
Memory	4 GB
